Helpful tips

- AZTAC is located very close to the intersection of Walnut Street (Route 22) and Progress Avenue. We are approximately 8 miles from our former location.
- Progress Avenue is a major road that intersects with all of the following: Route 39/Linglestown Road (closer to Route 322 and the river/not near Hershey), I-81, Elmerton Avenue (which connects the Farm Show Building and Colonial Road near Red Lobster), Walnut Street (Route 22), Union Deposit Road, Derry Street, and Paxton Street.
- N. Progress Avenue = S. Progress Avenue = Paxtang Avenue
- Progress Avenue is N. Progress Avenue from Linglestown Road, past I-81, to Walnut Street, then it becomes S. Progress Avenue, and then it changes to Paxtang Avenue before Derry Street.
- Route 22 = Allentown Boulevard = Jonestown Road = Walnut Street = State Street
- Route 22 is Allentown Boulevard east of Harrisburg (our former offices), then becomes Jonestown Road near the Colonial Park area and I-83 interchange, then becomes Walnut Street near the new AZTAC offices, and then becomes State Street within the city limits, taking you straight into the Capitol Complex facing Soldiers Grove and the Capitol Building. State Street then continues again on the other side of the Capitol Building.
- There are exits on I-83 for Paxton Street (Bass Pro Shop), Derry Street, Union Deposit Road and Jonestown Road. If you get off at Jonestown Road, it might be a little easier. If you are traveling on I-83, and you need to get off at Paxton Street, Derry Street, or Union Deposit Road, head west (toward the city) and look for either Paxtang Avenue or Progress Avenue, and turn R. Then stay on that road until you see our office building on the right, just before Walnut Street (Route 22).
